

UMass Memorial Medical Center—University Campus • 55 Lake Avenue North, Worcester, MA

Directions to the Hiatt and Lazare Auditoriums

The auditoriums are located on the first floor of the University Campus of UMass Memorial Medical Center, on either side of the Medical School Library. (See star on map.)

When driving onto campus, follow signs to the patient/visitor parking garage. Valet parking is available at the main patient entrance until 7:30 pm.

You can walk across campus directly to the Medical School lobby; walk straight through the lobby and turn right. The Hiatt Auditorium is on the left before the library. The Lazare Auditorium is on the left after the library.

Or, if you prefer to walk inside, enter the hospital through the Remillard Family Pavilion entrance. Proceed left through the lobby and follow the long hallway past the pharmacy and cafeteria, all the way to the end. Turn left at the last hallway. The Lazare Auditorium is on the right before the library; the Hiatt Auditorium is on the right after the library.

For those with mobility limitations, we strongly recommend being assisted by someone. Wheelchairs are available at the hospital’s main lobby, if needed. The walk from the garage to the Faculty Conference Room is quite long.
