## Dr. Misha Faustina Brings Oculoplastic Surgery Expertise to UMass Memorial Eye Center

The UMass Memorial Eye Center expands its clinical capabilities with the arrival of [Misha Faustina](#), MD, FACS, who brings unique expertise in Oculoplastic Surgery. “Dr. Faustina will focus her practice on cancers, traumas and aging issues around the eye, as well as cosmetic rejuvenation. She will establish an oculoplastics service and will spearhead efforts to launch an ophthalmology residency program,” notes Shlomit Schaal, MD, PhD, chair, Ophthalmology.

A graduate of Meharry Medical College in Tennessee, she completed a general surgery internship at Washington Hospital Center, in Washington, DC, followed by an ophthalmologic residency at SUNY-Downstate Medical Health Science Center in Brooklyn. She completed a fellowship in ophthalmic plastic and reconstructive surgery at the University of Texas MD Anderson Cancer Center in Houston.
