

June 14th, 2018 8 AM - 5 PM

UMass Medical School, Albert Sherman Center

The Department of Anesthesiology and Perioperative Medicine and the Department of Neurology are proud to hold a live ENLS Course under the leadership of Course Directors: Shaheen Shaikh, M.D. and Susanne Muehlschlegel, M.D., FNCS, FCCM.

Speakers: Shaheen Shaikh, M.D.; Susanne Muehlschlegel, M.D., FNCS, FCCM; Richard Moser, M.D.; Wiley Hall, M.D.; and Raphael Carandang, M.D.

Course Overview:

ENLS course is designed to help healthcare professionals improve patient care and outcomes during the critical first hours of a patient's neurological emergency. ENLS demonstrates a collaborative, multi-disciplinary approach and provides a consistent set of protocols, practical checklists, decision points, and suggested communication to use during patient management.

Learning Objectives:

- gain current knowledge of commonly occurring neurological emergencies
- get familiar with protocols, checklists and suggested communication during patient transfer
- multi-disciplinary approach to management of neurological emergencies
- prioritize patient management in the first (golden) hour

ENLS Certificate

Once the participant has passed the online exam, they can download the certificate from their ENLS account (and collect CEU's for the course.)

For Whom: EMS, Emergency Medicine, Neurology, Anesthesiology, Nursing, Neurosurgery, Critical Care, Clinical Pharmacy, Advance Practice Providers.

All inquiries regarding the course, hotel, etc. please contact:
