

Child Life Wish List

A few quick guidelines: Thank you for wanting to help make a difference for our patients and families! We want to make sure that we can put all donated items to good use and that they are safe and promote positive experiences for the children we serve. For these reasons, please use the following guidelines to ensure your donation meets the needs of our patients and families. Items must be **new** and in original packaging.

- Paints, glue, and other art materials must be **non-toxic** and preferably the washable variety.
- Toys with cloth parts and stuffed animals can be used as gifts, but due to limited storage space we can only accept small batches of these items.
- We cannot accept toy weapons (such as guns or swords) or items of a mature or violent nature.
- **If you would like to inquire about items not on the wish list please call our office at 774-443-2549.**

Wish Lists

Children are in need of items in all age groups, in both English and Spanish languages. The greatest needs are listed under "Infants," "Toddlers" and "Adolescents." Additionally, the most requested items for each age group are in **bold**. Of course, we greatly appreciate all donations.
