Our Family Education Philosophy

We strongly believe in promoting educational opportunities for your entire family. The goal of family education is to empower you and your family to make informed choices about your health care and the birth of your child.

Our certified educators work in partnership with you, your health care provider, and the Birthing Center staff to promote positive outcomes for you and your family.

THE BIRTHING CENTER
AT HEALTHALLIANCE
Celebrating birth in a family-centered setting

The Birthing Center at UMass Memorial HealthAlliance-Clinton Hospital celebrates birth in a family-centered setting. Our staff of obstetricians, family practice physicians, certified nurse-midwives and nurses are committed to promoting quality care and healthy outcomes for childbearing families.

Our attractive labor/delivery and postpartum rooms provide a home-like setting in which to give birth and become acquainted with your newborn.

As a UMass Memorial member hospital, HealthAlliance-Clinton Hospital collaborates with the Neonatal Intensive Care Unit at the Memorial Campus to provide the region's highest level of intensive care for infants, as well as peace of mind for new parents.

PREPARED CHILDBIRTH CLASSES

Prepared Childbirth

We offer one 8-hour Saturday class. These classes will help you and your partner better understand pregnancy and the birth process. Topics include:

- Labor, delivery, and postpartum period
- Relaxation and breathing techniques with practice sessions
- Comfort measures and coping strategies
- Informed decisions
- Role of the support person
- Medication/anesthesia
- Cesarean births

Tours

Tours of the Birthing Center are offered regularly. Please call 978-466-2346 to schedule an appointment

Breastfeeding

This one-evening, 2-hour class covers the basics of breastfeeding, its benefits, how to overcome the obstacles, and how a breastfed baby grows. Ask about our breastfeeding center, *The Nursing Mom*, a special resource that offers everything you need from nursing bras to nursing pumps. Partners are encouraged to attend.

Classes are held at HealthAlliance-Clinton Hospital - Leominster Campus. Husbands, partners and coaches are welcome to attend.

PARENTING CLASSES

Prepared Parenting/Safe Baby 101

In this one time, 3-hour class, the focus is on caring for a new baby and your role as parents. It also helps prepare your new family for discharge from the hospital and the transition to your home. It also covers SIDS, shaken baby prevention, baby proofing the home, choking prevention and response, choosing a daycare, how to recognize illness, introducing pets and infants, important emergency phone numbers, and car seat safety.

This class is appropriate before or after the birth of your baby.

AFTER YOUR BABY'S BIRTH

Welcome to Motherhood

This weekly postpartum support group offers new moms the opportunity to find new friends, receive peer support, and get current information on infant development and nutrition. Topics include: returning to work, choosing childcare, breastfeeding support, relationship issues, baby products, basic parenting skills and having fun with your baby. For more information, call 978-466-2354 ext. 2. If line is busy, call 978-466-2346.

From 10:30 am - 12:00 pm every Wednesday
